Video Title/Speaker: Ghost Busters: End With a Game

Subject summary: Talked about how one could polish poop. They used the process shiny mud ball to shine/polish. The answer was busted, you can. Do you run faster when you already run in air? The answer was that the myth was busted. Finally, the show ended with a big bang.

Coollest thing you learned: People can polish dirt.

What you disliked: There was nothing that I really disliked.
